Few places on Earth compare to the cascading waterfalls, colourful tropical gardens, white-sand beaches, dazzling sunsets and alluring atmosphere of the incomparable Crystal Cove, nestled on a lovely beachfront cliff spanning one of the most idyllic locations on Barbados’ renowned West Coast. Here, all-inclusive elegance means unlimited access to the romance and seaside charm of the Platinum Coast of Barbados. Walk hand in hand past brightly coloured village-style buildings and lush gardens. Descend to waves gently lapping against powdery white sands and where days of waterskiing, banana boating, windsurfing, and other complimentary water sports beckon. Enticing natural beauty and intimate moments are yours... toes-in-the-sand dining, tropical cocktails shared beneath a waterfall, free-form lagoon-style pools carved out of the cliff side, and sunsets like something out of a dream. This is escapism at its absolute best.

Effortless enjoyment waits around every corner of this picturesque resort. Follow your natural love of adventure with complimentary water sports and activities. Or, reconnect with a simpler pace of life while Beach and Pool Ambassadors hand-deliver complimentary beverages, snacks, chilled towels, and more. Even dining is a special experience with themed events like Bajan Fish Fry and seasonal cultural entertainment. Crystal Cove grants you the luxury of never having to lift a finger and wishing these moments could last forever.
